Connect with Landowners Faster to Sign SCAs

- Review and acquire high-quality, pre-optimized sites with optional integrated DNV software. 
- Reduce time to site control by contracting with landowners with pre-vetted SCA terms.
- Use the Develop Analyze subscription to seamlessly run scenario analysis as deal conditions change.
- Free to use the Marketplace. Fees only apply upon a successful SCA (i.e. Site Control, NTP).

## Case Study

A recent success story is the **collaboration with a top 3 Global Independent Power Producer (IPP)**. They used the Marketplace to secure a 1000+ acre lease for a groundbreaking solar + BESS project. The SCA is signed and the project is underway.
